To whom it may concern,

To the best of our knowledge, all products manufactured and marketed by Covalent CC, LLC (dba Covalent Custom Cannabinoids) do not contain dioxin, or dioxin-like compounds. Additionally, dioxin or dioxin-like compounds are not produced as the result of our manufacturing processes. We certify that our products are specifically free of:

***Polychlorinated dibenzo-p-dioxins (PCDDs)***

***Polychlorinated dibenzofurans (PCDFs)***

***Polychlorinated biphenyls (PCBs)***
