To whom it may concern,

The definition of “no animal testing” is defined as no use of animals (live or deceased) for any type of research purposes whatsoever to include feed or nutrition trials, toxicity testing, or animal tests or trials “as required by law” and not being tested by another company or independent contractor since the year 2000.

Covalent CC, LLC (dba Covalent Custom Cannabinoids) has not tested the above listed ingredients on animals since the year 2000. Covalent CC, LLC (dba Covalent Custom Cannabinoids) does not contract another company to test the above listed ingredients on animals. Covalent CC, LLC (dba Covalent Custom Cannabinoids) does not intend to test the above listed ingredients on animals in the future.
